## Table Games

### 21 Madness

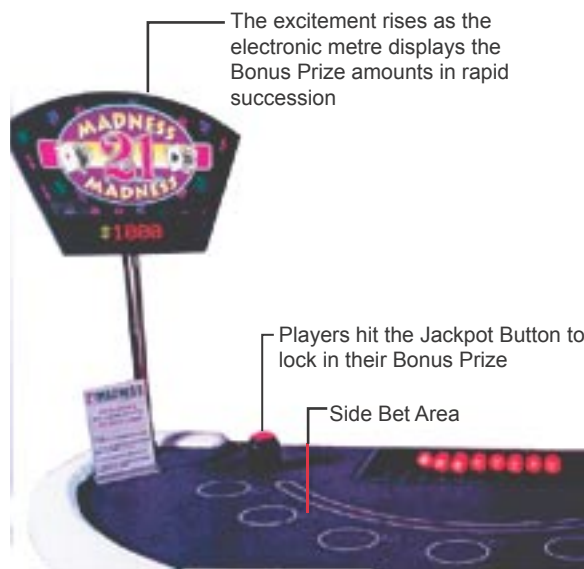

The game of 21Madness is played just like blackjack, using double decks. Players make their wagers as they would on the blackjack table. Players are attracted to the game because of its interaction, chances at large jackpots, fair return on the side wager bet and the increased excitement to blackjack.

Playing Madness 21 does not interfere with optimal strategy with the regular play of blackjack.

#### Features:

- 21Madness is played on a regular blackjack table with regular blackjack rules.
- 21 Madness will improve the hold percentage for the overall table by 4% to 6%.
- 21 Madness is simple for the players to play.
- 21 Madness offers jackpots for a simple card combination.
- 21 Madness is interactive by players pushing a jackpot button for their prizes.
- 21 Madness provides added excitement since players can win large jackpots.
- 21 Madness can offer prizes rather than cash.
- 21 Madness is simple for the dealers to learn.
- 21 Madness gathers performance statistics.
- 21 Madness is easy to install and reliable.

Any existing Blackjack table can be retrofitted to add the excitement of 21 Madness™. And the reader board can be customised for your favorite promotions and prizes.
