## Table Games

### Pontoon Pandemonium

Played on selected Pontoon tables, Pontoon Pandemonium offers Pontoon players the chance to win up to \$250,000 for a small additional bet.

Pontoon Pandemonium is an optional side bet which wins if the 1st two cards dealt to a hand is a Pontoon (i.e. Ace and Picture card).

A Pandemonium bet is made prior to the initial deal and must be supported by a regular Pontoon bet on the same betting box.

#### How to Play

To play Pontoon Pandemonium simply place a bet in the "Pandemonium" area in front of the Pontoon box which you have already placed your bet. (See Diagram).

All bets must be placed before any cards are dealt and you can only place one Pandemonium bet for each Pontoon bet you place.

If the first two cards dealt are Pontoon (i.e. Ace and Picture card) and you have placed a Pandemonium bet, not only will your hand be paid at odds of 3 to 2 but your Pandemonium wager gives you the opportunity to win an additional bonus prize by pressing the jackpot button.

After you press the jackpot button, look at the Pontoon Pandemonium electronic meter on the table. This will display the prize you have won.
