Coin Clearance

At Indopacific we have recognised a need in the market for an easy to use coin clearance system. In the past they have been large bulky units so ipg have produced a small simple to use unit packed with great features.

FEATURES

- User friendly key board
- Large clear displays on keyboard and scale
- Enter machine numbers by bar codes or keyboard
- Hopper tare weight deduction an option
- Print your own bar code labels from inbuilt multi use printer
- Print of clearance details i.e.: machine number and amount
- Fully battery powered
- Fast recharge
- Clearance data protected in the event of battery failure
- Easy download to back office systems
- Ergonomically designed trolley

Our sales team will be glad to demonstrate the system at your premises. There are many ways we can configure this system to suit your needs, From small back of house system for notes to self powered floor models for coin with scales or coin counters.
