Franco Slot Machines - Mine Keeper

A three reel game, 9 pay lines and up to 90 bets, 10 per line. The player obtains prizes with the combination of three or more figures at any position of one of the lines. The combination of five gnome figures located at any position of the screens of the reels plus nine or more bets allow the player to enter the bonus game that takes place at the labyrinth feature. The additional game bets a prize and ten different multipliers are shown at the labyrinth. The mechanism launches ten balls and the number chosen is multiplied in each case by the amount obtained to be added to the total amount of the bonus counter. The bonus prize obtained can be bet double or nothing at the labyrinth feature.
