## Franco Slot Machines - Triple Horse

A three reel game, 1 pay line and a maximum bet of 5 credits, with progressive jackpot. The Triple Horse symbol is a joker. 1 TRIPLE HORSE symbol pays 10 times the winning combinations and 2 TRIPLE HORSE Symbols pay 100 times the winning combinations, except for the maximum prize.

The game allows the player to play at the HORSE RACES bonus by betting 3,4, or 5 credits. To start the Horses reel's spin, press the red or green button. If the colour of the reel, red or green, coincides with the button pressed, the game offers the player another opportunity to play at the bonus. On the contrary, the value of the prize pointed by the arrow located at the reel chosen its accumulated and turns back to the main game. Prizes under the programmed amount, can be bet by double or nothing.
